

CEEPCO Contracting expanding its services to the South Florida area

CEEPCO Contracting, a design-build minority owned consulting firm has provided high-quality technical support and services to commercial organizations and government agencies in the Washington, DC area since 2003. It specializes in construction, facilities maintenance, and environmental consulting. In 2016, it opened a branch office in North Miami, expanding its services to the South Florida area.

This dynamic company was recently awarded several contracts in South Florida, including a five-year contract with the City of Palm Beach Gardens for Facilities Maintenance Support. Under the contract, CEEPCO's highly trained staff will provide various handyman services to the City, as needed. The company has begun providing services to the City in various City-owned facilities.

CEEPCO was also awarded a contract with the Town of Cutler Bay for maintenance of the Town Center Building and nine town-owned parks.

The City of North Miami recently awarded CEEPCO a contract for home repair services under its Home Beautification Project.

CEEPCO President and CEO, Harold Charles said, "We are honored to have been awarded these South Florida contracts in the short time since opening our doors in this area. We look forward to contributing to the local economy by creating new jobs and investing in the local economy."
